ACKNOWLEDGEMENT OF PATIENT RESPONSIBILITY OF DENTAL CARE FEES

REGARDING INSURANCE: Due to the many variables in insurance policies, it is no longer an easy task to interpret each individual policy. Although we try to stay abreast of the insurance industry, it is not always possible. Therefore, we urge you, as the patient, to please check with your insurance company prior to any treatment. It is your responsibility to know your individual coverage. Failure to comply with this suggestion could result in you, the patient, being responsible for all costs incurred. **Any estimate given to you by our office staff, prior to insurance payments or dental treatment, is subject to change.** Please remember your insurance policy is between you and your insurance company and not with the insurance company and your doctor. Please understand that payment of your bill is considered a part of your treatment.

USUAL AND CUSTOMARY RATES: Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

I have read and understand Dr. Royer's policy regarding my role and responsibility of my treatment costs and knowledge of my insurance policy's coverage.
